

January 3, 1989

Dear Mr. Weisberg,

I acknowledge your two letters. I am sorry you took exception to what Professor DeSantis wrote about you. I have passed along your letters to him and I expect you will hear from him shortly.

I wish you good health in the new year.

Sincerely,

A handwritten signature in dark ink, appearing to read "W R Collins". The signature is fluid and cursive, with the first and last names being more prominent than the middle initial.

Walton R. Collins
